Education

2023–present **Ph.D. Program in Mathematics, National Taiwan University, Taiwan**
Advisor: Jungkai Alfred Chen

2022–2023 **Master's Program in Mathematics, National Taiwan University, Taiwan (withdrawn)**
Advisor: Jungkai Alfred Chen

2020–2022 **M.Sc. in Mathematics, Kyoto University, Japan**
Thesis: On linear quotient families associated with finite group actions on a 3-torus
Advisor: Shigeru Takamura

2021–2022 **Exchange program, National Taiwan University, Taiwan**
Online due to the COVID-19 pandemic

2016–2020 **B.Sc., Kyoto University, Japan**

Research Interests

Hyperkähler manifolds, moduli spaces of sheaves, derived categories, Fourier–Mukai transforms, Lagrangian fibrations, and birational geometry.

Talks and Posters

Sep. 15, 2026 **Poster Presentation, *Singular Fibers and Duality for the (1,3)-Debarre System***
Tübingen Summer School: Jacobians, Pryms and degenerations
University of Tübingen, Germany

Aug. 31, 2026 **Poster Presentation, *Singular Fibers of Debarre Systems for (1,3)-Polarized Abelian Surfaces and Dual Lagrangian Fibrations***
Japanese-European Symposium on Symplectic Varieties and Moduli Spaces
Hokkaido University, Japan

Research Experience

2025–present **Research Assistants (特出代數多樣體的幾何), National Taiwan University, Taiwan**
Laboratory of Birational Geometry

2022–2025 **Research Assistants (高維度空間的幾何與分布之研究-理論、奇異點、與應用), National Taiwan University, Taiwan**
Laboratory of Birational Geometry

Teaching Experience

Spring 2026 **Teaching Assistant, Modern Algebra (II)**
National Taiwan University, Taiwan

Fall 2025	**Teaching Assistant, Modern Algebra (I)** National Taiwan University, Taiwan
Fall 2024	**Teaching Assistant, Modern Algebra (I)** National Taiwan University, Taiwan
Spring 2024	**Teaching Assistant, Modern Algebra (II)** National Taiwan University, Taiwan
Spring 2021	**Mathematics Tutor, Math Q&A Rooms** Kyoto University, Japan
Fall 2020	**Teaching Assistant, Calculus with Exercise B** Kyoto University, Japan
Fall 2020	**Teaching Assistant, Quest for Mathematics I** Kyoto University, Japan
Spring 2020	**Teaching Assistant, Linear Algebra with Exercise A** Kyoto University, Japan

Awards and Scholarships

2026	**International PhD/Master's Students Co-Advising Project Funding** National Taiwan University, Taiwan (Support for research visit to Sapienza University of Rome)
